Quinceañera Blessing Minister Services

As your ordained Minister/Officiate, we will officiate a Quinceañera or Sweet Sixteen Celebration across denominational or non-denomination lines regardless of faith.

In today's culture where family is important and our desire to honor our Hispanic traditions, language is important to take into consideration in the ceremony event. As you plan your celebration the audience should be considered and an experienced professional Bilingual Minister should be sought and retained for the special ceremony event.

Quinceañera / Sweet 16 Blessing Services

This celebration marks the transition from the childhood to womanhood. It serves as a way to acknowledge that a young woman has reached maturity, and is responsible for her spiritual development with her faith in God. That is what we will focus on in the Quinceañera celebration..

We are able to provide officiate services for a Quinceañera or Sweet Sixteen Celebration if so desired in the Houston, Dallas or San Antonio Texas area. We understand this special celebrated day, and in a professional manner will provide the blessing.
